Skiing is a dance, and the mountain always leads. Unknown

Welcome to Lungau. We hope you relax, have fun and have a fabulous ski holiday! If there's anything missing or you need something please just ask!

Ski School office in St Michael (opposite the Hypo bank) is open from 09:00 – 18:00 Or call Gabi Alexander 0043 664 4709464

Ski hire Den will be popping by to check your requirements and deliver your hired equipment or call him direct on 0664 8584299

16.00 -18.00	**Guided tour of Mariapfarr's Church and museum.** In 1816 Joseph Mohr wrote the text to the world reknown Christmas carol „Silent Night" here in the Lungau village of Mariapfarr!! (reservation not necessary)
18.00 – 21.00	**Local restaurants** serve dinner. We can recommend any restaurants – let us know what you fancy! Please note most inns in the region close their kitchens by 9pm!! Credit cards are not normally accepted.
From 18:00	**Floodlit toboganning on Katschberg**. A 45 min steep forest trail leads to the warm and cosy Gamskogel Hütte where you can re-fuel before the exhilarating descent to the village. Great family fun! Tobogans are available for hire from the Gamskogel for € 4 each. If you prefer not to drive ask us to organise your taxi for you.

Ski bus information

The free buses run regularly all day long and connect the whole Lungau region as well as Obertauern. The timetable is in your information folder. Please note that if you wish to ski Fanningberg you need to change at Bruckdorf and likewise you need to change buses at Mauterndorf ski centre to get to Obertauern. Just let your bus chauffeur know your destination when you get on.

Kiddies crèche

There's a fun children's club in St Michael in the Hapimag for our young guests.
Price per day, including lunch €15. Please ask us to book you in!

Drink the tap water! *The water in our chalets comes from St Martin's natural mountain spring. It's better for you and think of the energy saved. The stones in the jug energise the water, just keep it topped up and leave it in the daylight.*
